A Peak at the Week

Reading:

- Students will begin working on constructed responses using the R.A.C.E. strategy.

Math:

- **Multiplication/Division:** Students will continue working with multi-digit multiplication and long division using place value strategies.

Science:

- **Solar System:** Students will continue learning about the different objects in our solar system. Solar System Projects are due on December 11th.

Social Studies:

- **Early Explorers:** Students will finish learning about the Spanish Explorers of the New World. Students will have a test on these explorers on Thursday, November 19th.

Important information

Fill-A-Stocking Program

Please note that all toy donations to classrooms will be given to the Lion's Club Fill-A-Stocking Christmas Organization of Jasper. If you need assistance with toys for Christmas, please contact Dr. S., the school counselor at 706-253-1860. All information will be kept confidential. Dr. S. will receive the forms by mid-November. A copy of a valid driver's license is required in order for Fill-A-Stocking to pick up the forms and process it. The forms will have all the pick up information on them.
