## A Peak at the Week

### Reading:

- *Blood on the River*
- Students will be working on creating timelines. They will also be creating vocabulary flip-books.

### Math:

- **Multiplication:** Students will be continue looking at prime and composite numbers as well as multiplies and factors.

### Science:

- **Solar System:** Students will begin learning about day and night, the moon, and the moon phases.

### Social Studies:

- **Early Explorers:** Students will begin learning about the Age of Exploration. They will begin this unit learning about Christopher Columbus.

## Important information

### Fill-A-Stocking Program

Please note that all toy donations to classrooms will be given to the Lion's Club Fill-A-Stocking Christmas Organization of Jasper. If you need assistance with toys for Christmas, please contact Dr. S., the school counselor at 706-253-1860. All information will be kept confidential. Dr. S. will receive the forms by mid-November. A copy of a valid driver's license is required in order for Fill-A-Stocking to pick up the forms and process it. The forms will have all the pick up information on them.
